We're so excited to have you in this month's VIP Laughs & Crafts Experience! We really hope you enjoy learning how to make these projects using supplies you already have in your craft room.

March's VIP Live Stream Experience will occur on Saturday, March 30, 2024 at 10:00 am Central Time. Join the stream or watch the replay at this link: Link will be available here.

Please remember that these are special live streams for you only and we do ask kindly that you not share them with others. If you'd like to share the experience with others, please direct them to where they can also join the VIP experience! We put a lot of work into creating these for you. Your understanding is appreciated. If we can answer any questions or help you with online ordering, please don't hesitate to call us. We want to continue giving you the BEST service we can.

Don't forget to make a purchase between March 31-April 27, 2024 in order to qualify for April's VIP Laughs & Crafts Live Stream!
