4. Punch out the Starburst on the Copper Foil paper.
5. Attach the 2-1/4" stamped greeting to the Copper Starburst by offsetting it a bit then attach to the Pearlized Doily.
6. Cut 6" of ribbon and tie a knot on each of the Snowflakes & Stars.
7. Attach the greeting to the front of the card using the dimensionals making sure to put in the middle on the back side so it will stick to the box just in the middle on top of the ribbon.
